

Dayenne Cosmétique

LONDON

01 JUNE 2006 - Professional SPA

The image shows the cover of the June 2006 issue of Professional SPA magazine. The title 'PROFESSIONAL SPA' is at the top in red and black. Below it, the text 'JUNE 2006 | EUROPE'S LEADING SPA MAGAZINE' is visible. The cover features a photograph of a spa interior. Text on the cover includes 'Pool tricks', 'ONE FINE DAY', 'SPEAKING PART', and 'Tring to 1'. A prominent advertisement for Dayenne Cosmétique is overlaid on the bottom right of the cover. The ad title is 'Beauty and the yeast'. The text in the ad describes the Dayenne skincare range, its formulation from young cells of brewers yeast and pure botanical extracts, and its long history of use for oily, sensitive, or acne-prone skin. It lists products like soap, cleansing milk, tonic lotion, face mask, day cream, night cream, and cover stick, and provides a telephone number: +44 (0)20 8964 1603.

Beauty and the yeast

Seeking solutions to problem skin? The Dayenne skincare range is specially produced for oily, sensitive or acne-prone skin and, after being used worldwide for 25 years, it is finally hitting the UK market.

Formulated by German skincare specialists working in conjunction with dermatologists at a French hospital in

Nanterre, Dayenne is made from young cells of brewers yeast and pure botanical extracts. The young cells of brewers yeast balance the skin's pH and regulate the level of sebum. The Dayenne product range includes soap, cleansing milk, tonic lotion, face mask, day cream, night cream and cover stick.
